6-Month New Testament Plan

JANUARY 1 TO JUNE 30, 2027 · 181 DAYS · ALL 260 CHAPTERS

Six months is a steady, doable pace. One or two chapters a day will take you through every page of the New Testament by the end of June, with room to slow down, think, and pray.

Short readings are not a shortcut. They are a chance to read slowly. Underline something every day, and share one thing you learned with somebody this week.

Grab your Bible. Let's read. ~ Chris Gallagher
