# One-Year Bible Reading Plan

JANUARY 1 TO DECEMBER 31, 2027 · 365 DAYS · ALL 66 BOOKS

Here it is: the whole Bible, cover to cover, in one year. Most days you will read two or three chapters of the Old Testament plus one more short reading. That takes less time than most of us spend scrolling our phones before breakfast. You can do this.

Weekdays: Old Testament + one New Testament chapter. Weekends: Old Testament + Psalms or Proverbs. Miss a day? Do not quit, and do not try to read five days in one sitting. Pick up today's reading and keep walking.

*Grab your Bible. Let's read. ~ Chris Gallagher*
